

BIY Scholarship Program 2018

Application Deadline: 30th November 2018

In 2018, Ballarat Iyengar Yoga (BIY) implemented a scholarship program. BIY offers two scholarships, on a half yearly basis, for two classes per week. The scholarship program is for students who do not have the ability to pay full class fees, due to their financial situation. The scholarships will subsidise 50% of the membership fee for two classes per week, with scholarship students to pay the other 50%.

- Scholarships are for BIY membership i.e. attendance at ongoing classes – not for Retreats, Workshops, or Intensives
- Scholarships are granted for a six-month period (January-June and July-December)
- Once selected, scholarship students will pay \$17 for two classes per week at BIY (instead of the full membership fee of \$34 per week)
- Scholarships are subject to review and can be terminated due to lack of attendance, or significant change in financial situation.

Scholarship program eligibility

- Scholarships will be considered and granted based on financial need
- Applicants must be students at BIY (current or previous), and must have practiced Iyengar Yoga for a minimum of 3 months
- Applicants must be able to contribute \$17 per week to their BIY membership (two classes per week membership).

We greatly appreciate your interest in our program and will carefully consider your application. You will be notified via email with the result of your application.

Please write clearly and fully complete your application form. Applications (and supporting documentation) can be submitted in person at the studio, or scan and submit via email to: office@ballaratyoga.com.au
